

Cash Medical Clinics of Texas Membership Plan Application

SCOPE: Cash Medical Clinics of Texas offers discounted medical service rates to its patients and their families. Our patients include those without any medical insurance, those who do have medical insurance with high deductibles and/or co-pays, those who have medical insurance who wish to receive medical services out-of-network, and “private-contract” Medicare patients.

Included & Excluded Services: The Membership Plan is not an “insurance”; it is a membership that can only be used at the Cash Medical Clinics of Texas facilities. The Membership Plan is valid for all provided medical services that are rendered at Cash Medical Clinics of Texas facilities. Family Membership Plans will cover the member’s legal dependent(s) as identified in the Membership application. The Membership Plan does not include other medical services that are rendered at other locations and/or by other medical providers, i.e. specialty services, treatment and/or diagnostic services facilities, Labor and Deliveries, Emergency Room visits, and hospitalizations. Membership Plan services are limited to the scope of services listed above.

Proof of Membership: In order to use your Cash Medical Clinics of Texas Membership Plan, you must present a valid Membership Plan Card prior to receiving the required medical services. Membership fee(s) must be paid in advance prior to receiving medical services. Should there be an outstanding balance due, for any reason, it must be paid in advance prior to receiving any medical services.

Cancellation Policy: The Membership Plan may be cancelled with a full refund of membership fees (excluding the application fee) within 3 days of initial purchase of the Membership Plan. However, if you purchased your membership during a Cash Medical Clinics of Texas visit, your refund will be less the discount you received at the time of service. This situation may require you to pay a portion of the discount you received at time of service. It may also require you to pay for any services rendered prior to cancellation of the Membership Plan.

Sign Up: To purchase a Membership Plan you can stop by a Cash Medical Clinics of Texas location to pick up an application, or one may be downloaded online and filled in before your next visit. Completed applications may be delivered in person. Completed application may also be faxed to Cash Medical Clinics of Texas.
